DEDICATION

Her smile and words have
Helped us on our way
As we have worked
Beneath her, day by day.
Her life is filled, a
Teacher and a mother—
But always she has time
To stop and help another.
To know her makes one turn
And strive "To Be,"
And pray to God
"Thy Will Be Done in Me."

Dr. Mackey, as president of Trevecca Nazarene College, has led through the untrodden years in the life of the school. He has not been one to follow an easy path, but has blazed his own trail and led us to be the great Trevecca as we know her today.

THE PRESIDENT'S MESSAGE

The first Psalm teaches that the righteous man is like a tree planted by the rivers of water, and the unrighteous as the chaff which the wind driveth away. The Christian college should be the best agency in the world to develop and establish young people in the Kingdom of God, and to establish young people like trees planted by the rivers of water.

It takes more than water to grow trees, but a tree will not grow without water. The living water which Jesus promises to give is necessary for Christian growth, but it will take more than the water of life to build a Christian character which will produce an abundance of fruit. The farmer puts phosphorous in the soil to produce the grain, potassium to give the plants strength to hold up the fruit, and nitrogen to make the foliage with the rich color.

The students and faculty of Trevecca are emphasizing at least four outstanding elements in the development of character: knowledge and skill as the basis for a fruitful life; faith and courage to give stability and endurance; and a good disposition to get the attention of those who have not met the Christ who can give them, for the asking, a well of water springing up into everlasting life.

THE COUNSELING PROGRAM

The welfare and personal progress of the individual student is the central purpose of our counseling program. This program rests squarely on the Christian principle of the great worth of the individual person and is motivated by faith in the possibility of every God-given personality being a growing person.

The freshman counseling program has been carried on by six faculty counselors under the direction of the dean of students. The faculty member who directed the sessions of the small group interviews was also the personal counselor for each student in this group. Much effective counseling—both formal and voluntary, has been done.

Other faculty members have accepted responsibility as general counselors with areas of specialization. The dormitory head residents have caught the spirit of the counseling program and have made an excellent contribution. The dean of students in addition to being director of the various phases of the counseling program has found time to do a large amount of personal counseling.

The president of the college, the dean of religion, the dean of arts and sciences, the registrar, the business manager and the high school principal give valuable guidance to our students in regard to many phases of college life.

Summer School Students

SUMMER SCHOOL 1952

Ninety-eight students were enrolled in Trevecca during the Summer of 1952. Summer School is just as enjoyable as the regular school year for you are in the same kind of environment.

The Trevecca College Booth at the General Assembly, 1952.

What an experience to attend a General Assembly. It is here one sees the highest organization of the church in action. This was our Thirteenth General As-

waii and 21 misionary districts which circle the Globe. The goals undertaken were: 15,000 new church members, 1,000 new churches, and 10 million dollars for

sembly and an unusual one for the spirit and direction of God was recognized. There were delegates from the 61 districts in the United States, 3 in Canada; British Isles, Australia, Alaska, and Ha-

missions. The Assembly voted to continue the slogan "Crusade for Souls Now" for the coming Quadrennium while the N.Y.P.S. adopted the theme "By My Spirit—Stand * Speak * Share * Serve.

LIKE A TREE

Lula Dunham

Lord, liken me unto the tree
That, ever green, keeps faith with Thee;

Let my branches, stretching high,
Point out Thy glory in the sky;

Let my limbs be strong and warm
To little creatures in the storms;

And let my soul, like roots in sod,
Take sustenance from Thee, O God.

CHRISTIAN WORKERS

The Christian Workers Association purposes to promote the kingdom of God at all opportune occasions and to enable the student to obtain practical experience and knowledge in Christian service. To hold membership, the student must be actively engaged in Christian work and must give testimony to a Christian experience. Monday evening prayer meetings, jail services, city and county work houses, juvenile court, street meeting, T.I.S. and hospital services are undertaken by these workers. This year, in co-operation with Inglewood Nazarene Church, a new work was carried on at two rest homes.

Trevecca already can say that the "sun never sets on Trevecca students," for they are representing her on many fields. Students who are preparing for the mission field and those interested in the activity of missions meet each Friday after chapel to spend an hour in prayer. Reports are given of the progress of the work in various fields. No doubt, some day from this very group missionaries will go forth to proclaim the glad tidings.

MINISTERIAL ASSOCIATION

B. Turner, H. Hasty, T. Wight, J. Rigney, Y. Bennett

The purpose of the Ministerial Association is to foster high spiritual standards in the college and wherever their influence might reach. This organization is composed of ministerial members of the faculty, ministerial students and those students who are preparing for different types of Christian service. For one week each quarter members of the association furnish the chapel addresses. Among their activities this current year has been the promotion of campaigns for the Thanksgiving and Easter missionary offerings.

Q U A R T E T S A N D T R I O S

Quartets and trios under the sponsorship of our field representative Rev. C. E. Keys, make week-end trips through the school year and tour the entire Southeastern Zone during the summer. The King'smen have made trips to Georgia, Alabama and Kentucky this year. There is also much demand for these quartets and trios in the various churches of Nashville and surrounding areas.

The purpose of these tours is to to acquaint

the people over our zone with Trevecca College. We feel that Trevecca is a school where young people can come to learn in a Christian environment.

Rev. Keys has travelled with different parties since 1949. This summer he is planning to take five groups: three quartets, a trio, and a soloist with an accompanist on the field.

COLLEGE CHOIR

MRS. MADELYN HERTENSTEIN
Director

The choir is composed of selected voices that are chosen at the beginning of the school year. This year the choir is under the direction of Mrs. Madelyn Hertenstein who is doing a wonderful work with the choir. Each year the choir makes a tour of several states in the school zone and many local appearances. The choir aims to interpret music in a spirit of worship to God.

All majors and minors in science or those interested in science may become members of this organization. Its aim is to help the members maintain and increase their interest in science through experience and contact with nature studied in the class room and out-of-doors. Features of the monthly meetings have been lectures by outstanding persons, well-equipped to fulfill the purpose and to make the club enjoyable and helpful. During the year the club made several trips to further their knowledge of science.

STUDENT WIVES

E. Simpson, W. White, O. Hamilton, H. Ulmer

The wives of Trevecca students meet to have fellowship and receive instructions on how to be the most efficient minister's wife. The group has accomplished much in the meetings this year under the capable leadership of their sponsor. They feel that they are better qualified to carry on their duties in the home and church.

ACTIVITIES

RECITALISTS

LEONA BOODY Speech
CHARLES DAVIDSON Tenor
BETTY MEGGS Speech

The Fine Arts Department presents each spring quarter recitals given by Juniors and Seniors who are majoring in applied fields of music and speech. This year's performances showed talent, diligent study, and excellent instruction. These programs prove to be not only an asset to those participating, but have been a great culture value to the listening audience as well.

The officers of the Associated Students comprises the Student Advisory Council. Through this council, which acts as a liaison body between the faculty and the students, improvements to promote the aims, ideals, and standards of the college are made. This organization

co-operates with the faculty in the furtherance of the spiritual, intellectual, social and cultural interests of the college. Seven members comprise the Council, the president and secretary of which are selected by the student body at an annual spring election. Christian character, integrity and creditable scholastic standing are the qualifications of the officers of the council. Resulting from much thought, planning and hard work of the Student Council we have had a most successful year.

Business Manager, Bill Slonecker, makes a deposit.

Mr. Richardson and Laurie Murray plan big sale.

At last our dream has become a reality and we present to you the DARDA, your yearbook of Trevecca Nazarene College. Our purpose has been to portray life as we have found it at T.N.C. The responsibility of the editor and her staff is to arrange the making of pictures, the writing of the manuscript, the receiving of ads and the collecting of other necessary material. It is the sincere wish of the staff that as you look through your book in the coming years you will recall as many pleasant memories of happy days spent at Trevecca as we will of the many enjoyable hours we spent making it for you.
